

I Can Fly

by Zoe

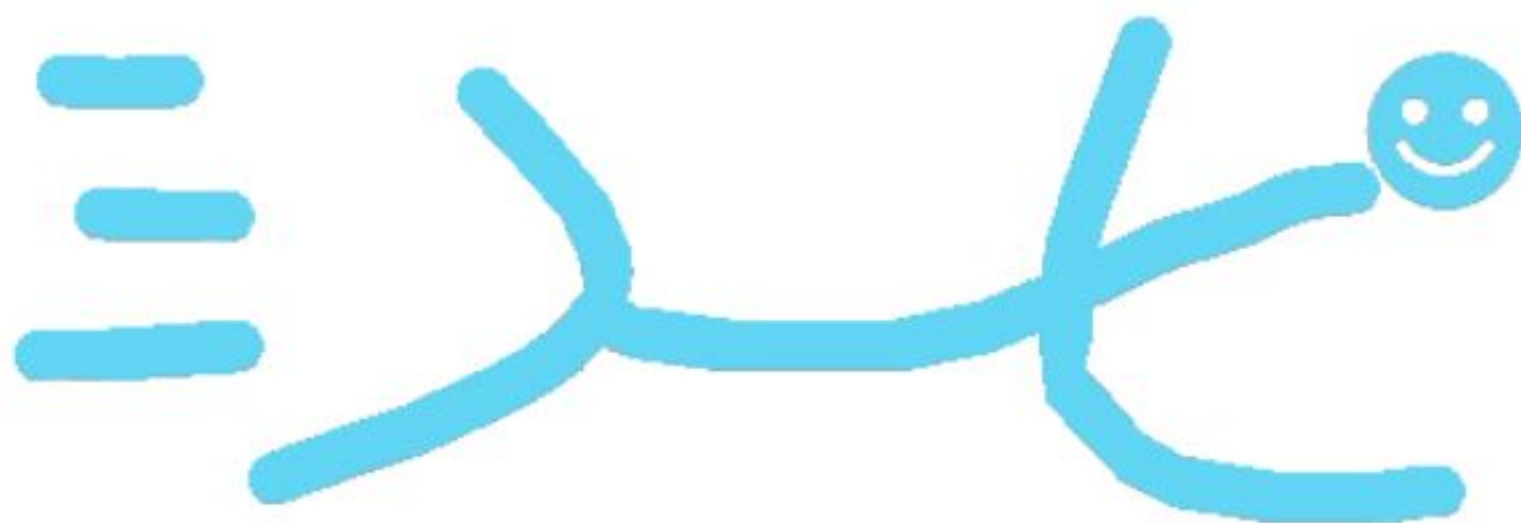

Nobody knows this about me, but I have a very special and very secret ability: I can fly! This is what I look like when I'm flying.

Sometimes I fly over to gramie 's house just to say hello.

Sometimes I fly to the park to have a picnic.

Sometimes I fly way up high, over houses and buildings! Everything looks so small from all the way up there!

One time I even flew all the way to moon! I sure was tired when I got there.

Oh and I forgot to mention the only time I can fly is in my sleep, when I'm dreaming!
