

I'm a Dog!

by Killy Mcgee

Hi. My name is Bobby. I am a dog. I think this is what I probably look like.

This is a picture of my human. His / her name is Randy. I like him / her because he likes to play.

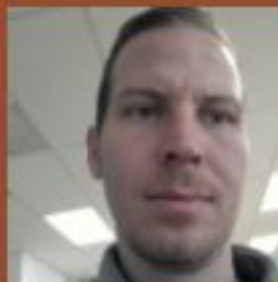

My favorite thing to do is run.

My human's favorite thing to do is listen to the radio.

The best thing about being a dog is I can play all the time in the garden. I am so happy I'm a dog and not a hat!
